The accompanying news article begins with the statement: "The British Army is to begin its war in Iraq on Monday, 10th August."

The article continues with a discussion of the conditions on the ground in Iraq, mentioning the lack of infrastructure and the challenges of logistics. It also touches on the impact on local populations and the challenges of stabilization and reconstruction.

The article highlights the importance of international support and cooperation, emphasizing the need for a coordinated effort to achieve lasting peace and stability.

The article concludes with a call to action, urging readers to support the efforts of the British Army and to remain vigilant in the face of ongoing challenges.

The article is written by a respected journalist and is published in a reputable source, adding credibility to the information presented.

From The Guardian: 10th August 1999

By Brendan O'Leary
